Day2 Academic (Classroom) and Open water (Boat) Presentations/Rescue#7

Day3 Confined Water (Pool) and Presentation plus Skill Evaluation (5 Skills)

If you are enrolled in the Instructor Internship Program, please ask for your individual schedules.

Instructor Specialty seminars will be conducted during a 10 day period following the IE. Interns will then have the opportunity to assist on courses, certify students at many levels of diver education, and achieve their instructor specialty ratings. Ultimately your personal marketability as a PADI instructor is greatly increased through this initiative.
